33) Dead Words 2

Since you are not allowed to use 2nd person point of view in your essays, we will be adding these words to the dead words list:

- You/Your/You're/Yourself

Rewrite the following sentences with the dead words removed.

1. Have you ever wondered what three places you would visit if given the chance to?
2. The first place I want to visit is the Big Apple, but you may know it as New York.
3. First you have Italy, the home of pasta.
4. You have to be brave to try their traditional salted fishes and other exotic dishes.
5. Another place is Italy, where you can taste the best Italian food.
